# ... Now We Are Ready ...

NHS has had tremendous participation in the arts. We have had successful productions of *Annie, Blithe Spirit,* and *Bye Bye Birdie.* We have been recognized for our achievements in the performing arts and visual arts during the Sussex County Teen Arts Festival. We also recognize the contributions of the Madrigal Singers who have travelled to the Bahamas to represent our school and to the NHS Band for their participation in the St. Patrick's Day Parade and who liven up the football games here at home.

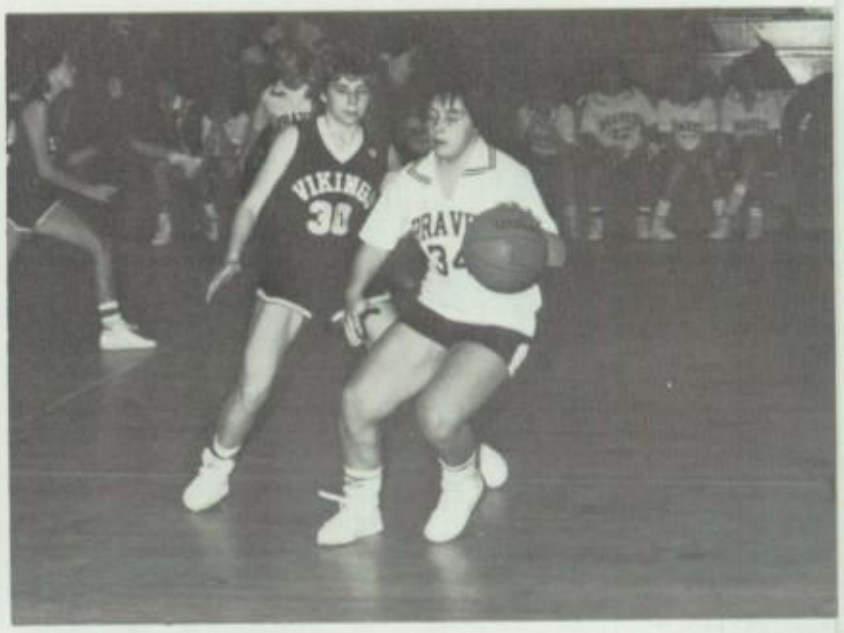
Season Record 3-12-1

The 1987 Soccer season witnessed achievements for the varsity and junior varsity squads. Both teams posted more wins than any previous team. The squads were coached by Mr. Dave Pede and Mr. Michael Ridge.

The team captains were Bo Doyle and Dana Bergeron. Both Doyle and Bergeron were named to the SCIL team and Bergeron made first team All West Jersey while Doyle earned a position on the second team.

Even though the teams did not post winning records, Coach Pede was still pleased with the season. He stated, "There is a saying that success breeds success and failure breeds . . . well, let's leave it at that! The team did well this year. We started the transition from failure to success." Even though the team will be losing eleven seniors, Coach Pede has a strong nucleus of six juniors returning for 1987 fall season.

Team Members: J. Izzi, A. Butcher, D. Decker, M. Richardson, L. Schumacher, T. Tracy, K. Waldron, Coach Tom Ducatte.



# Determined

The girls' basketball team, under the direction of head coach Tom Ducatte and J.V. coach Wally Walborn, posted a 6-13 season record. The 7th place Lady Braves were led by tri-captains Denise Decker, Jodi Izzi and Ann Butcher.

The most memorable game of the season was the last game against Hopatcong. Not only did the ladies play their best game of the season, but senior Denise Decker and Jodi Izzi had their best games also. Decker scored 40 points in that game and Izzi lead both teams in rebounding. The entire team played well that day and had Coach Ducatte smiling. He would like to maintain that smile all next season.

Another highlight of the season had to be the experience gained by four letter winners who will return next year: Marcia Richardson, Lisa Schumacher, Tara Tracey, and Karen Waldron.

Post season awards went to Denise Decker who was named the Most Valuable Player on the NHS squad and to Jodi Izzi who was identified as the Most Improved player.

# Aquatic Contenders

The 1986-87 school year marked the debut of the Newton High School Swim Team. Both the boy's and girl's teams were coached by Miss Bambi Steele. The girl's captains were Lisa Fiedorczyk and Kelly Wikander and the boy's captain was Tim Bottle.

Being a new club, the team had many adversities to overcome. However, both the boys and girls teams were able to improve their status as individuals and as a team. They have made their mark this past season and they have shown they will be contenders next year. The girls placed fifth in the league and they placed fourth in the league championship. This is outstanding for a first year team.

Earning spots on the *New Jersey Herald's* All-Area team were Kelly Wikander, Lisa Fiedorczyk, Kathy Bottle, and Tricia Barrett. The four were also named to the All-SCIL team and Krista Giudici received an Honorable Mention.

Prospects for next year are good. As Coach Steele stated, "We have been able to build an extremely good nucleus . . . As long as the ladies and fellows continue to work hard, I feel the future will be bright."

-Dave Hegner

The Newton High School Boy's Varsity basketball team finished the year with a strong 8-14 record and tied for sixth place in the SCIL. The team will come back next year with six varsity lettermen and a strong supporting cast. Only two cagers are leaving due to graduation: Dana Bergeron and Tony Freda.

The team's most memorable games were the victories against High Point (67-63) in overtime, the Delaware River Conference leaders, Phillipsburg Catholic (77-70), and Kittatinny (52-51). The Kittatinny victory came with the final shot at the buzzer.

Post season honors went to John Wolters and Mike Portanka. John received All-League honors and was recognized for his foul shooting ability. Mike received the "Mr. Hussle" plaque.

Coward took firsts at the Sparta Tournament, the Warren Hills tournament, Districts, and Regionals. He finished the season with a sixth place at the state tournament at Princeton University.

Iliff completed the season with a record of 36-0. He also earned firsts at the Sparta, Warren Hills, Districts, and Regionals tournaments. Iliff earned his second consecutive state championship at the 149 lb. class. Not since 1961 has an NHS wrestler taken a state crown two years in a row.

Besides their regular appearances at sporting events, the ladies are responsible for making and displaying signs around the school, sponsoring pep rallies, and cheering at bonfires. In addition, the squads participate in cheerleading competitions and attend the St. Patrick's Day Parade with the Newton High School Marching Band. Throughout the year, the squads are always there to help boost the spirit at NHS.

"To be an NHS cheerleader it takes a constant smile, dedication, spirit, and pride for yourself and your school. If you have these you have what it takes."

Juniors

Seniors

The ninth annual junior-senior Powderpuff football game was held on Palmer Field on Wednesday, November 12. The annual clash witnessed a 0-0 tie after four periods of play. Even though the game was scoreless, the spectators were treated to some outstanding moments in Powderpuff history. Denise Davies led the senior girls with several outstanding ground gains. The junior squad was likewise ignited by the ball handling of Kelly Hill.

Coaching the junior squad were Kevin Frank, Scott Young, and Steve Pastore. The seniors were guided by Mike Nasto, Gary Powers, and Joe Wroblewski. The officials for the game were Mr. Gary Wikander, Mr. Richard Graham, and Mr. Robert Lucas.

"I wasn't dissappointed when the Powderpuff Game resulted in 0-0 ties. There weren't any hard feeling between the juniors and seniors."

# Halloween

# Ghoulies Galore

The class of 1987 captured the spirit of Halloween as they celebrated the event on Friday, October 31. A wide range of ghost, goblins, and ghouls roamed the halls of NHS. The annual tradition brought to life the spirits of Charlie Chaplin (Ann Kimble), Frankenstein (Glenn Hall), and New York bag ladies (Lisa Mills and Pat Bollard). Some of the other outstanding costumes included Andy Iliff and Theresa Burdi as skunks, Janet Smith, Lisa VanRiper, Kim Curran and Paulette Oratowski as Roaring 20's flappers, and Debi Hatem, Jill Magnone, Julie Magnone, Lisa Caratozzolo, Melody Blakely, and Melinda DeGroot as a bevy of feline beauties. The enthusiastic participation of our seniors helped to make Halloween a memorable day.

"My first impression of Halloween was that it is a rather unusual custom: people dressing up as famous characters from the past and present, little children running from house to house gathering candy on their way saying, 'Trick or Treat, smell my feet!'"

1986 HOMECOMING QUEEN AND HER COURT

An overcast sky and a light rain did not dampen the coronation ceremonies for the 1986 Homecoming Queen. The proceedings occurred during half time of the Lenape Valley-Newton football game on Saturday, November 1. The six finalists, representing the Class of 1987, were Theresa Burdi, Suzanne Cichon, Debra Hatem, Elizabeth Prescott, Colleen Tarantino, and Lori Wickham. The six seniors were escorted by their fathers.

The finalists took the traditional ride around the field in convertibles to the serenade of the NHS Marching Band. As each contestant was escorted across the field, her individual biography was read. The excitement peaked as Theresa Burdi was announced the 1986 Homecoming Queen. The crowning of the new queen was handled by the 1985 Queen, Miss Donna Doyle and Mr. Gus Rampone, NHS vice-principal. A reception for the queen and her court and the NHS alumni followed the game in the gymnasium.

"The first thing I thought when I heard my name announced as the Homecoming Queen was 'Theresa who?' "

-Theresa Burdi

# Burdi Reigns

# Mock-Homecoming

# Senior Spoof

The annual Homecoming festivities began on Friday, October 31, with the traditional Mock-Homecoming pep rally. This year's pep rally beauties included David Block, Andy Iliff, Shane Krisanda, William Molfetto and Joe Wroblewski. In addition to their beauty, the contestants were judged on their talents. The reigning Mock-Homecoming Queen was Shane Krisanda. Also at the pep rally, the traditional homecoming finalists were introduced to the student body. This year, a tie vote produced six finalists rather than the usual five. At the pep rally, Theresa Burdi was escorted by Anthony Brigante, Suzie Cichon by Michael Tierney, Debra Hatem by Jimmy Duddy, Elizabeth Prescott by Glenn Hall, Colleen Tarantion by John Herring, and Lori Wickham by Michael Nasto.

"When I wasn't selected the mock-homecoming queen, I felt like a slug that someone stepped on. I couldn't face my fans . . ."

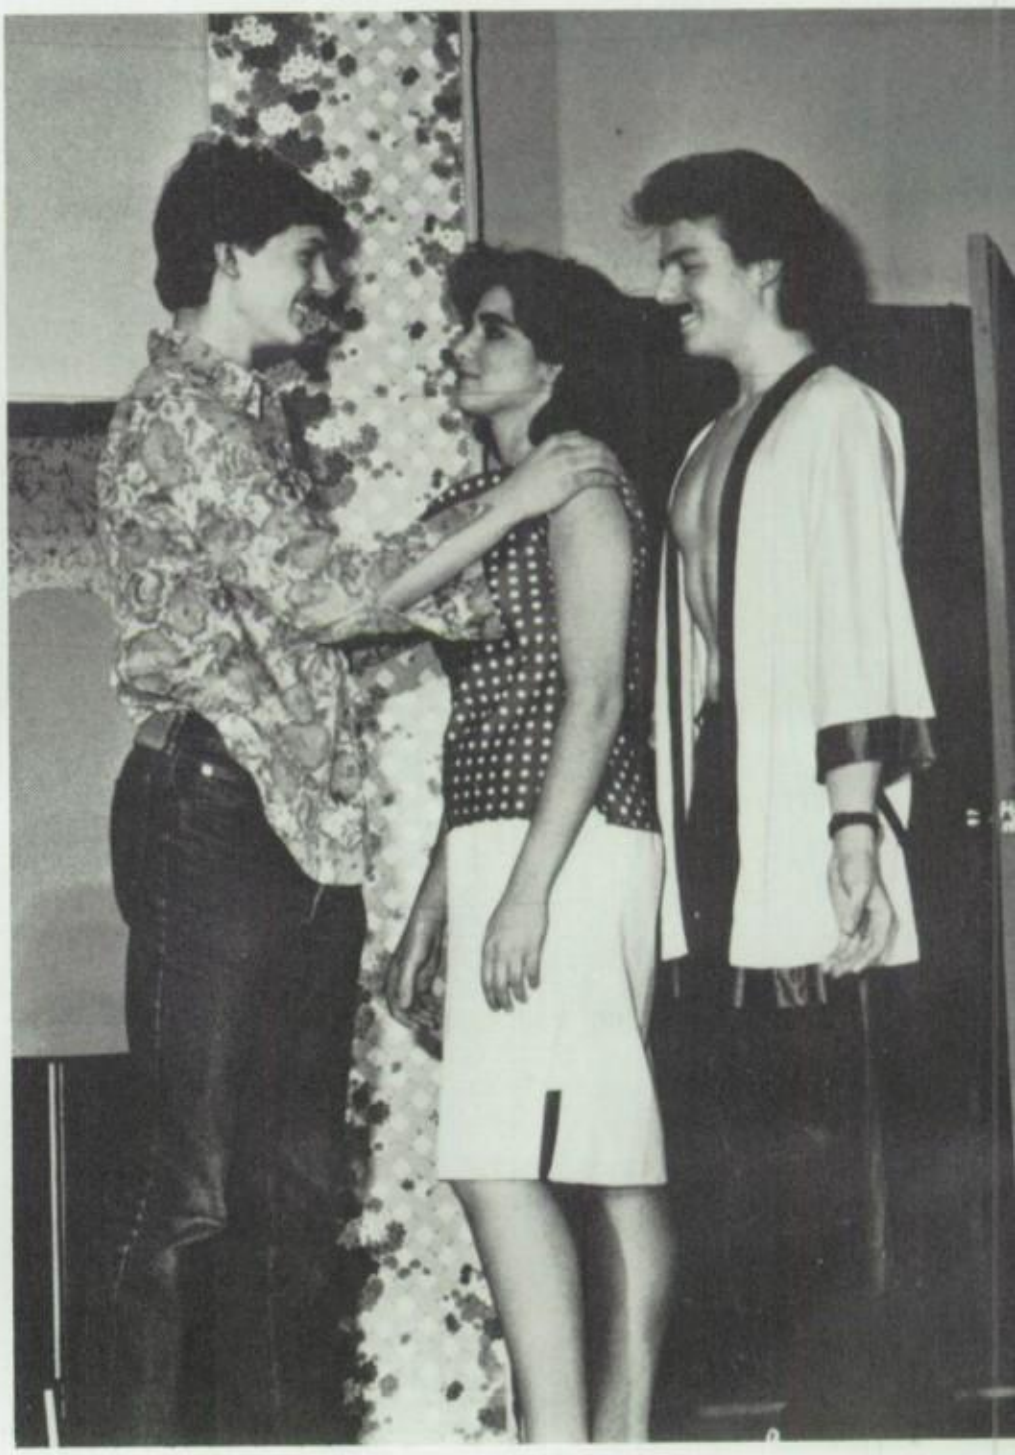
# The Odd Couple



# Oddly Amusing

"I think the funniest thing that happened during the play was having the phone ring while I was talking on it!"

-Darcy Guttwein
Grade 11

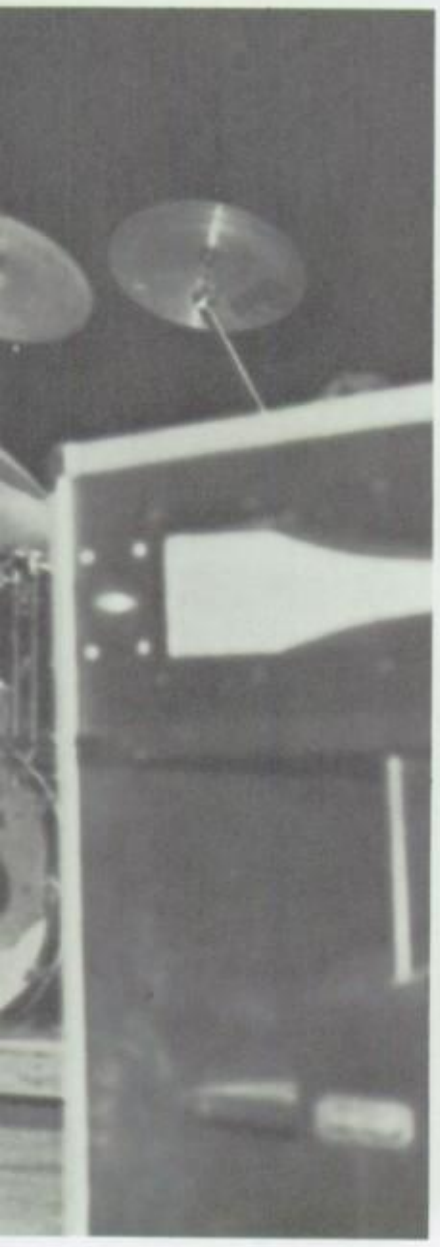
The Newton High School Fine Arts Department was scheduled to present the Neil Simon comedy *The Odd Couple* on December 10 and 11. However, due to an early snowfall, the second performance had to be rescheduled for December 12.

This version of the classic comedy was rewritten for a predominantly female cast. Like its earlier counterpart, the comedy revolves around two close friends. Olive Madison (Darcy Guttwein), a sports fanatic, agrees to take in her lifelong friend Florence Ungar (Michele LoManto). The comedy arose when Olive, the slob, tries to contend with Florence, the meticulous housewife.

The supporting cast members included Claudia Raffay, Melissa Wroblewski, Amy Griffitts, Stephanie Slear, Sean Gugler, and James Gilchrist.

An added treat for the production was the *Café aux Desserts* sponsored by the French Club of Newton High School.

# Teen Arts



# Creative Endeavors

The annual NHS Teen Arts Festival was held on Friday, February 13. During periods 4, 5, and 6, the gymnasium was the showcase for the creative arts. Student projects and demonstrations in woodworking, agri-business, graphic arts, home economics and the visual arts were featured. The highlight, once again, was the agri-business department's demonstration of mountain climbing techniques.

In the afternoon, the location of the festival shifted to the auditorium for the performing arts segment. Some of the outstanding performers were a drum solo by Randy VanPatten, a duet by Colleen Sheehan and Joe Wroblewski, a dance number by Heather Gilmore, and the performances of the NHS Madrigals and Flute Ensemble. The year the MC's were Andy Iliff and Theresa Burdi. The top performers and artists were selected for the Sussex County Teen Arts Festival in the spring.

"The reason I selected drums to be my instrument was because my brother played them and I really wanted to play too."

-Randy VanPatten

# Bloodmobile

# Life Line

The Newton High School Health Careers Club and the Student Council sponsored the annual bloodmobile on Friday, March 27 in the school's gymnasium. Begun in 1978, the bloodmobile provided the New Jersey Blood Services with over 100 donors this year alone. In the ten years since its inception, the annual event has seen the donation of over 1,100 pints of blood.

The project requires a tremendous amount of student involvement. In addition to being donors, students assist with the registration process, work in the canteen area, seal and label blood samples, and serve as escorts from the donation cots.

Each year the event brings great satisfaction to the workers and donors. The donation of blood provides a necessary life line in our community.

"The reason why I volunteer by time for the bloodmobile is that I am unable to give, so I contribute to a worthy cause by donating by time"

Few Things Mean As Much To Me As The Friendship That We Share. 'Cause You're The Kind Of People Who Are Very Very Rare! It Isn't Only Things You Say Or The Things You Do. It's Just That Special Way You Have Of Simply Being You.

January 6, 1987

Well mates, my year is finally over. It was a great year that shall never be forgotten.

For me today has mixed feelings. I am happy to be returning home to my family and friends who I have missed dearly. Yet, at the same time, I am sad to be leaving families and friends who I have loved and cared for in the past year.

America is a country I have grown to love and respect and I will be returning home with many happy and fond memories. Participating in many of the school's activities, proms, class trips, attending sporting events, touring around the U.S., partying, and spending time with my friends have all been part of a valuable experience.

Australia and the U.S.A are similar in some ways and different in many others. Getting accustomed to people driving on the other side of the road, the language, and the general lifestyle of America took some time.

Finally, a sincere thank you to all of the faculty and staff of N.H.S., my host families, Newton Rotarians, and all my friends for being, as Aussies say, "good sports" and for making my year a happy and successful one!

Good luck to everyone in the future and I hope that we will meet again someday.

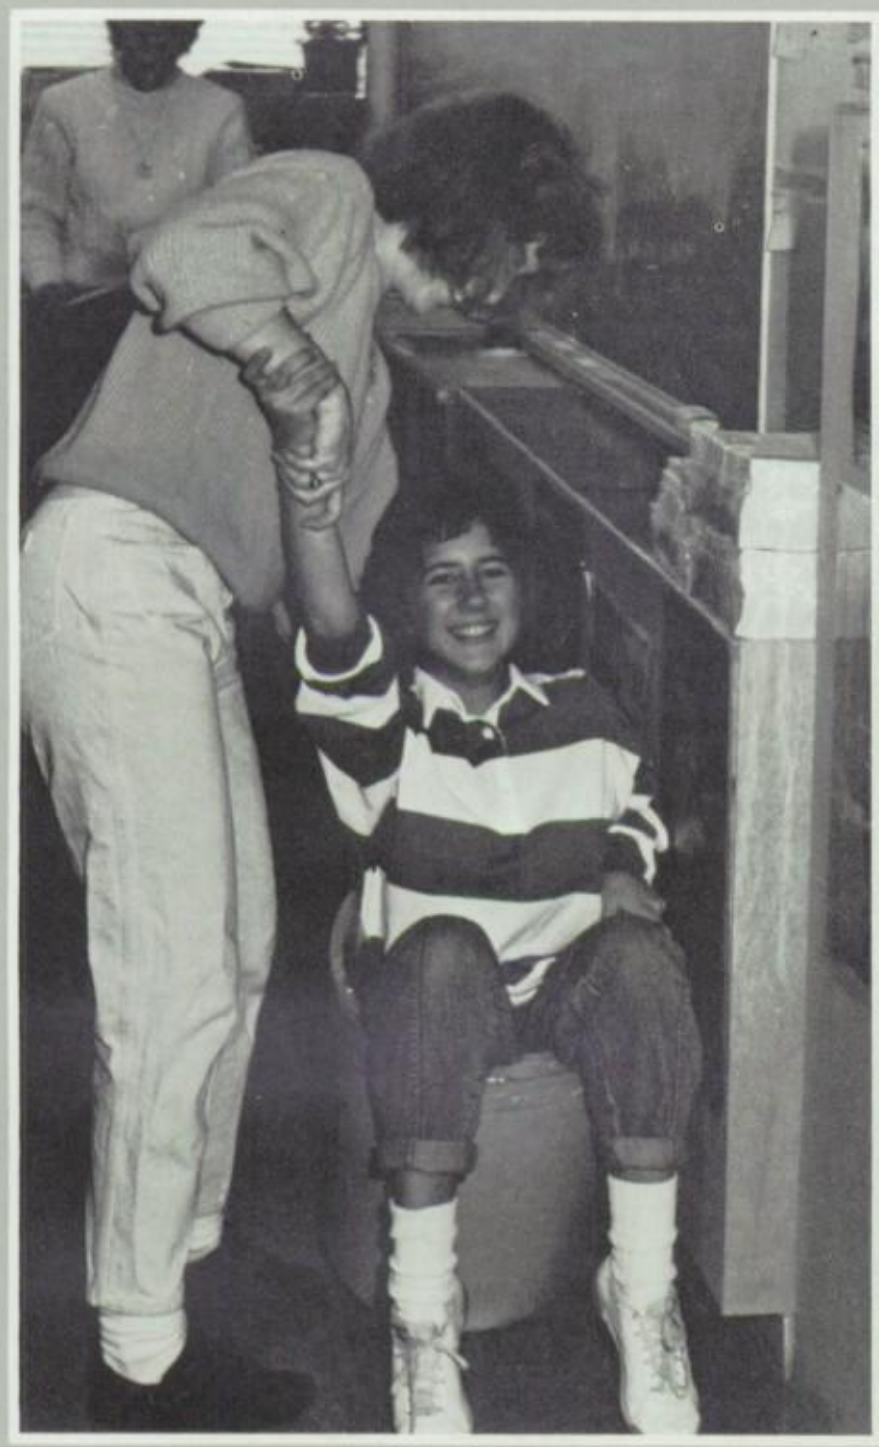
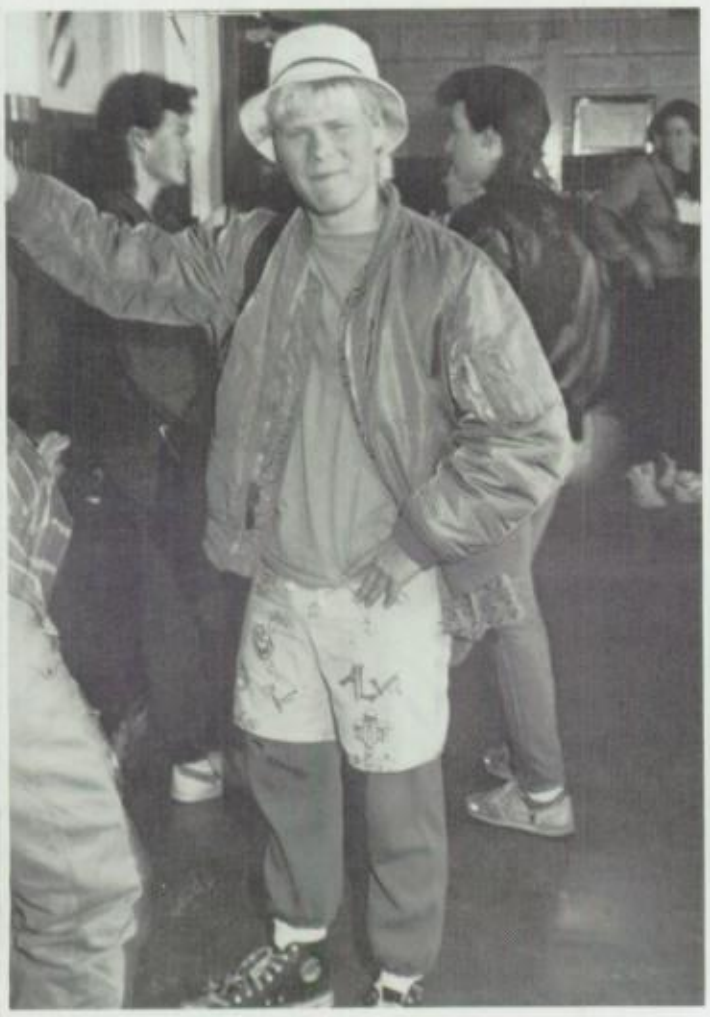
# Great Strides



# Farewell



# Looking Back On Memories . . .

1986-87 is a year that will be remembered. Newspapers, magazines and television brought the headlines into our lives and made us aware of the world around us. It was a year for scandal with the U.S. arms deal to Iran, the outbreak of Crack, and the continued fear of AIDS. It was a year for celebration as the Statue of Liberty celebrated her 100th birthday, Prince Andrew married Sarah Ferguson, and the Voyager airplane circled the globe nonstop on a single tank of fuel. We heard tales of nuclear disaster in Chernobyl and we wondered "Could it happen here?"

At the box office, Tom Cruise in *Top Gun* and Paul Hogan in *Crocodile Dundee* were major attractions. On the music charts, Bon Jovi, Whitney Houston, Genesis, and Run DMC were riding high. In our homes, *The Bill Cosby Show, Moonlighting,* and *L.A. Law* were Nielsen rated favorites. Mets Fever swept the metropolitan area and the world Series while Superbowl XXI brought victory to the Giants.

Many students left their marks on NHS history. Dennis Teza was elected vice-president of the state Student Council. Andy Iliff again captured a state wrestling crown while Robert Coward took a sixth. Our field hockey team earned its fifth consecutive SCIL title and its sixth Sectional championship. It was a year for firsts with the introduction of swimming into our winter sports schedule.

It has been a year of great accomplishments and minor defeats. Throughout, we have been a school united by our joys and sorrows. We look back on the year with many fond memories and we look ahead with anticipation as we continue to make Great Strides.
